

## PARENT FUEL STRATEGIC PLANNING QUESTIONS

Strategize and plan to maximize the influence of Parent Fuel in your environment by using these questions.

1. Why do you want to take your parents through Parent Fuel?
2. What top three goals do you want to accomplish?
3. How many parents are there in your church, school, neighborhood or small group?
4. What top three needs do these parents have? (Get the input of others.)
5. Which parents have the potential for leading a Parent Fuel Experience group? (List them by name.)
6. What training opportunities already exist for parents and how does Parent Fuel conflict or cooperate with those opportunities?
7. What possible time options exist for a group or groups to meet?
8. What specific steps do you need to take to implement Parent Fuel in your situation? (See the Plan of Action in the Leader's Guide.)
9. Using those steps what communication tools will you use to involve parents in Parent Fuel?
10. What Parent Fuel resources do you need to purchase in order to get the group or groups started? (See the [Parent Fuel Kit](#).)
